HOW TO READ THE N.J.R.

The horse's head number, saddle cloth number, program number, mutuel number and post position are the same except when there is an entry in the race. The initials following the horse's name represent color and sex, figures denote age. The names following are the horse's name, dam and sire of dam in that order. Under the horse's name are his lifetime earnings and lifetime record preceded by his age when record was made up to date. Following the lifetime earnings is the name of the driver, his date of birth, weight and his colors. Next is the horse's best winning time on a half mile, five-eighths, three quarters or mile track for the last year and the current racing season, followed by his starts and the number of wins, seconds, thirds in purse races and his money winnings. Beneath the horse's name are records of his most recent races. They read from bottom to top line is the horse's last race.

The date of the race is followed by the name of the track. All tracks are half mile unless followed by the figure (1) which means that it is a mile track or (1/4) which is a three-quarter mile track. Then is noted the purse, condition of the track on the day of the race, the conditions of the race. A Claiming Race the Claiming Price. Race distance, time of the leading horse at the 1/4, 1/2 and 3/4 follow, then comes the winner's time. The figures that follow in order show the post position of the horse, his position at the 1/4, 1/2, 3/4, stretch with lengths behind except for the leading horse whose number denotes lengths ahead and finish with beaten lengths. If he was a winner, it shows how far ahead of the second horse and the losers show how far they were behind the winning horse. The next figure shows the horse's actual time in that race. Whenever a small "w" appears after the calls, it denotes that the horse raced on the outside at least one-quarter of a mile. In some instances these figures won't appear because the track at which the horse raced did not have its races charted. Then follows the closing odds to the dollar, the horse's driver, and the order of finish, giving the names of the first three horses, temperature and time due to cold weather.

N.J. Racing Commission Rule 363. Any Claim by a person that a wrong ticket has been delivered to him must be made before leaving the mutuel ticket window.

AS DIRECTED BY THE NEW JERSEY RACING COMMISSION
 "There shall be no cancellation or exchanging of pari-mutuel tickets, once the patron has left the wagering window."

Internal Revenue now requires every person who receives \$600.00 or more in gambling winnings (If such winnings are at least 300 times as large as the amount wagered) to provide information necessary to file IRS Form W-2-G. Every person who provides winnings in the amount of \$1,000 (If such winnings are at least 300 times as large as the amount wagered) must also have withheld 20% of such winnings and provide information necessary to file IRS Form W-2-G and IRS Form 5754. Gamblers are required to ask anyone cashing a ticket value of \$600 or more if they have an identical wager. If so, this amount must be noted in Box 11 of Form W-2-G. Should this amount exceed \$1,000 (minus the wager), the teller must also file a report for the IRS.

New Jersey Harness Racing Commission ruling, there shall be no recall after the word (go) has been given.
The Starter may sound a recall only for the following reasons:

A horse scores ahead of the Gate, there is interference, a horse has broken equipment, a horse falls before the gate (go) is given, or when a horse fails to come to the gate before the gate reaches the pole 1/16 of a mile before the start (the gate) shall be interpreted to mean the term (failure to come to the start) shall be interpreted to mean that the horse starts, turns and goes in a direction opposite from that of the starting gate, or is hopelessly outdistanced, or by reason of an interference or continuous break is considered by the Starter not to be competitive. Any driver deliberately creating such a situation shall be fined and/or suspended.

Rule 17-(a) When any horse or horses break from their gait in trotting or pacing, their drivers shall at once, where clearance exists, take such action as to the outside and pull it to its gait.

(b) The following shall be considered violations of Rule 17:

1. Failure to properly attempt to pull the horse to its gait.
2. Failure to take the horse outside where clearance exists.
3. Failure to lose ground by the break.

(c) If there has been no failure on the part of the driver in complying with (b) 1, 2, and 3, the horse shall not be set back unless a contending horse on his gait is lapped on the hind quarter of the breaking horse at the finish.

(d) The Judges may set an extra horse back one or more places if in judgement any of the above violations have been committed, and the same may be penalized.

RECALL AND SCRATCH RULES
A horse that causes 2 recalls will automatically be scratched by the Judges and a mutual refund ordered. Should any horse in the current night's program fall or get loose on the track at any time prior to his participation in a race, that horse may be scratched and a refund made on all wagers on that horse.
